RILSAN® FLAGGED BRISTELS

This FalconBrush® is made from high-quality synthetic Rilsan® (Polyamide 11), which is derived from castor oil, a plant-based oil. Rilsan® retains its original characteristics, such as shape and elasticity. That is why this brush never has a single crushed bristle, unlike other brushes. Always rinse dirt and sand from vehicle before use.

Do not contain monomers (anti-allergenic) • Working temperature -20°C up to 80°C • Impact & abrasion resistance, flexible, long lasting toughness & durable • Greater resistance against bases, chemical products and detergents • Excellent shape memory
